Company Profile

HAC Medical Gas Training & Services Ltd. is part of the HAC group of companies that includes HAC Technical Gas Services Ltd. and Medical Piped Gases Ltd. Both companies provide maintenance and installation services respectively for medical and laboratory gas pipeline systems throughout the healthcare and R&D sectors

HAC Medical Gas Training & Services Ltd. provide a wide range of training and services to the healthcare and R&D sectors and are an IHEEM affiliated company.

Training is carried out from our own purpose-built, EAL Accredited Training Centre in Leicester or, alternatively, on your own site or an alternative designated healthcare site.

Sessions are delivered by Mark Milne & Brian Baitup, both highly experienced trainers, Authorising Engineer (MGPS) and Authorised Person (MGPS) respectively, and former BOC Training and Risk Managers, along with Paul L. Henton, a former guest lecturer at the NHS Training Facility, Eastwood Park.
