

# Lunch and Learn

## With Saint-Gobain Ecophon

### Acoustics in hospitals

---

We invite you to join us for a short presentation, focusing on how noise affects both patients and staff, and how noise challenges can be alleviated. This session will cover:

- Causes of noise in hospitals
- Effects of noise
- Sleep as an aid to recovery
- Acoustic standards and solutions

**Available online, or in person, by contacting Andrea Harman**

Telephone - 07771 565 382

Email - [Andrea.Harman@ecophon.co.uk](mailto:Andrea.Harman@ecophon.co.uk)
