

# Healthcare Estates<sup>®</sup>

## Conference. Exhibition. Hybrid.

## HOSPITALS OF THE FUTURE

Monday 18 October

### DIGITAL CONFERENCE

09:00-09:30 **Welcome from Pete Sellars, Chief Executive Officer & Paul Fenton MBE, President, IHEEM**

09:30-10:00 Online Exhibition & Digital Networking

#### Keynote Address

Chaired by Pete Sellars, IHEEM CEO

**10:00-10:30 An Introduction to the New Hospital Programme's Commercial Philosophy**

Emma-Jane Houghton, Commercial Director, New Hospital Programme

**10:30-11:00 In Conversation with David Flory, CBE, Designate Chair, Lancashire and South Cumbria ICS, Interim Chair, Cheshire and Merseyside ICS**

#### Strategy

**11:05-11:45 Wolfson Economics Prize 2021**

Robert Ede, Head of Health & Social Care/Prize Director, Policy Exchange

#### Design & Construction

**11:05-11:45 Digital Challenges for the Healthcare Estate**

Steve Batson, Stephen George; Graeme Hall, Executive Chairman, Brandon Medical. Chaired by Jonathan Stewart, National Chair, HEFMA

#### System Governance

**11:05-11:45 Do We Know Which Hospital to Build and Why We're Doing it?**

Stephen Wright, Independent Economic Consultant, Honorary Professor, University College London

#### Sustainability

**11:05-11:45 Achieving Net Zero Carbon, Lessons Learnt from Trusts Leading the Way Using the Public Sector Decarbonisation Scheme**

Terry Hull, Strategic Asset Services Director, GMS; Stew Watson, Head of Estates Development, The Royal Wolverhampton NHS Trust; Stephen Lowndes, Technical Director, Carbon & Energy Fund. Chaired by Andrew Chatten, Director of Estates & Facilities, Nottingham University Hospital

11:45-12:15 Online Exhibition & Digital Networking

**12:15-12:55 Primary Care Estates Challenges**

David Gratrix, Projects Director, Castle Gate Projects Ltd

**12:15-12:55 Maintaining Quality Through Design & Construction - Approach to Quality Monitoring and Assurance**

Richard Beattie, Senior Engineer, Health Facilities Scotland

**12:15-12:55 Defining an Improved Asset Management and Lifecycle Capability for the NHS**

Keith Harner - Managing Director Gloucestershire Managed Services

**12:15-12:55 Decarbonising the NHS**

Sameen Khan, Salix Finance

**13:00-13:40 Why System Wide Infrastructure Planning is Essential to Deliver an Efficient and Sustainable Health System**

Nicola Theron, Director of Estates, North Central London, ICS; Ian Sabini, Managing Consultant, Gbpnterships Consult

**13:00-14:00 The Future of Healthcare Design**

Jamie Bishop, Fleet Architects, Hannah Brewster, ADP. Chaired by Alice Green

**13:00-13:40 The Revised HTM 03-01 Specialised Ventilation for Healthcare Premises & HBN 06 Imaging and HBN 11 Primary Care**

Malcolm Thomas, Main Author HTM03-01, Malcolm Thomas Consultancy

**13:00-13:40 The Roadmap to a Net Zero Hospital**

David Evans, Schneider Electric

13:40-14:00 Online Exhibition & Digital Networking

**14:00-14:40 'Our Homes Within A Park' - Proactive Delivery of the Health and Wellbeing Agenda in Partnership with Alder Hey Children's NHS Foundation Trust**

Harinder Dhaliwal, CEO, Step Places; Louise Shepherd, Alder Hey Chief Executive Officer

**14:00-14:40 Principles of Design for Ergonomic Pendant Solutions for Minimally Invasive Surgery and Shorter Recovery Times in Intensive Care Units**

Scott Pickering, Brandon Medical

**14:00-14:40 Fire Safety Management Competency**

Andrew Foolkes, Tenos Ltd

**14:00-14:40 Addressing the Challenge to Becoming Net Zero**

Gail Scholes, Head of Public Sector and Housing, Zenengi

**14:40-15:20 Redeveloping Land for Financial, Strategic and Environmental Gain**

Mark Trumper, London Northwest University Healthcare NHS Trust

**14:40-15:20 Let's Not Forget Those Who Forget! What Individuals With Dementia Think of The Design of Their Living Environment?**

Loukia Minetou, PhD Student; Dr Evangelia Chrysikou; Dr Niamh Murtagh, Bartlett School of Construction and Project Management UCL

**14:40-15:20 How to Optimise a Hospital's Maintenance and Operations**

Paul Armstrong, Schneider Electric

**14:40-15:20 Meeting the NHS Net Zero 2040 Challenge**

Paul Graham, Kingston Hospital NHS Trust; Julian Miller, Ameresco Ltd

**15:20-16:00 Producing an Approvable NHS Business Case in a Dynamic Policy Environment**

Helen Pickering, Senior Director, Currie & Brown; Martin Clark, Director of Healthcare Advisory Service

**15:20-16:00 Designing Mental Healthcare Settings to Prioritise Access to Outdoor Space: The Benefits for Wellbeing**

Ruairi Reeves, Medical Architecture

**15:20-16:00 From Conception to Completion in 12 months - Modern Methods of Construction in Healthcare**

Sarah Wallwork, Healthcare Planning Lead, Mott MacDonald

**15:20-16:00 The Greenest Health Building in the UK**

Eugene Prinsloo; Jamie Andrews, Community Health Partnerships

16:00-16:30 Online Exhibition & Digital Networking

**16:30-17:10 Future Healthcare Planning - Panel Discussion**

Jonathan Erskin, Executive Director, EUHPN; Prof Grant Mills, Professor of Healthcare Infrastructure Delivery & Dr Anne Symons, Senior Research Fellow in Healthcare Design and Raed Ashour, Researcher, The Bartlett School of Sustainable Construction, Steve Batson, Studio Director, Stephen George Partnership, Stephen Wright, Independent Economic Consultant, Honorary Professor, University College London. Chaired by Pete Sellars, CEO, IHEEM

**16:30-17:10 Delivering on The Potential of Modern Methods of Construction (MMC) Approaches For The Health Estate**

Rob Ewen, K2 Consultancy

**16:30-17:10 Decarbonising Healthcare - Delivering NHS Net Zero Ambitions**

Richard McWilliams, Turner & Townsend

# INFRASTRUCTURE & FUTURE RESILIENCE

Tuesday 19 October

## DIGITAL CONFERENCE

## LIVE EXHIBITION

09:30-10:00 Exhibition/Platform Visit/Networking

### Keynote Address

**10:00-11:00** Preparing for and Dealing with the Unexpected.

Scott Hislop, Programme Delivery, NHSX & David Fassam, National Investigator, Healthcare Safety Investigation Branch (HSIB). Chaired By Nigel Keery, Head of Estates Operations, Belfast Health and Social Care Trust

### Operational Management

**11:05-11:45** How the Use of Platform-Based Approaches Help Deliver Net Zero Carbon Community Buildings at an Affordable Scale

Anastasia Chrysafi, Tim Carey, Willmot Dixon

### Infrastructure Resilience

**11:05-11:45** NHS Scotland Assure

Eddie McLaughlan, Assistant Director, Engineering, Environment and Decontamination, NHS National Services Scotland

### COVID-19 Lessons Learnt

**11:05-11:45** The Emergency Department's Response to COVID-19: How Reactive Changes in Flow and Communications has Reshaped Our Vision for Future A&E Designs

Jon Huddy, Huddy Healthcare Solutions; Duncan Sissons, Sissons Consult Ltd

### Future Requirements

11:45-12:15 Exhibition/Digital Platform Visit/Networking

**12:15-12:55** Finding the True Value in Your BMS

John Dorward, Honeywell – Trend

**12:15-12:55** Deliver Site Cost Savings & Improve Power Efficiency With One Power Monitoring System

Richard Govier, Socomec UK Ltd

**12:15-12:55** Healthcare Provision in a Pandemic

Karina Jones, Eta Projects

**12:15-12:55** Delivering New Hospitals Fit for an Uncertain Future

Martina Cardl, Bryden Wood

**13:00-13:40** Protecting IOT Communication of Emergency Lighting in Healthcare Premises

Alan Daniels, P4

**13:00-13:40** Principles of Insulating Monitoring Devices in Hospital Medical IT Systems

Matthew Mears, Bender UK

**13:00-13:40** COVID-19 Compliant Facility at New Cross Hospital

Simon Bourke, RPS Group

**13:00-14:00** Procurement, Policy and Standards: How Do We Build What We Actually Need?

Robbie Blackhurst, Procure Partnerships; Michelle Humphreys, Director of Strategic Projects, Manchester University NHS Foundation Trust; Steve Bentley, Mott MacDonald; Conor Ellis, Archus Chaired by Gareth Banks

13:40-14:00 Exhibition/Digital Platform Visit/Networking

**14:00-14:40** Good Food, Good Health  
NHS Food Review / National Food Standards & Strategy

Phil Shelley, Senior Operational & Policy Manager – Soft FM & Emma Brookes, Head of Soft FM Strategy & Operations, NHS Estates & Facilities, Commercial Directorate

**14:00-14:40** Neutral Earthing and Fault Clearance With UPS Systems

Alex Emms, Kohler Uninterruptible Power

**14:00-14:40** Delivering Meaningful Care for the Elderly During a Pandemic // St Helens and Knowsley Hospitals NHS Trust in Partnership With Portakabin

Victoria Phillips, Portakabin

**14:00-14:40** Challenging Hospital Planners and Designers to Early Integrate the Specialist Engineering and Manufacturing Supply Chain

Prof Grant Mills, Professor of Healthcare Infrastructure Delivery & Dr Anne Symons, Senior Research Fellow in Healthcare Design & Raed Ashour, Researcher, The Bartlett School of Sustainable Construction

**14:40-15:20** Promoting Healthy Eating in Hospital/Ward Catering

Sue Brown, Associate Development Director; David Houghton Senior Project Manager, Alder Hey Childrens NHSFT

**14:40-15:20** Design Considerations for the Modern Operating Theatre: Supporting the implementation of UHD Medical Video, Audio and AI capability

Richard McAuley, Brandon Medical

**14:40-15:20** Ventilation Systems in Hospitals and COVID-19. What did we learn from the Pandemic?

Ben Ledger, Overclean Ltd

**14:40-15:20** COVID-19 & Healthcare Integration

Smriti Singh, Arcadis

**15:20-16:00** Chillers & Heat Pumps in Healthcare Premises

Sigrid Volkmann, STS

**15:20-16:00** Battery Storage Installations for Hospitals

Bill Reeves, Eta Projects

**15:20-16:00** COVID-19 Safe Re-Opening Case Study

Frank Mills, Frank Mills Consultancy

**15:20-16:00** Providing a Safe Environment for Operating on Non-Infectious and Infectious patients

Richard Knight, Richard Knight Consultancy Ltd

16:00-16:30 Exhibition/Digital Platform Visit/Networking

**16:30-17:10** Storage of Energy for Low Temperature Hot Water, Domestic Hot Water and Sterilisation in the Healthcare industry

Spirax Sarco

**16:30-17:10** The Knowledge of Power - BMS Optimisation

Stewart Royle; Martin Norris, Saker Controls Ltd

**16:30-17:10** "PROTECT" – COVID-19 National Core Study

Professor Catherine Noakes, OBE, Professor of Environmental Engineering for Buildings, University of Leeds

**16:30-17:10** Technology to Capture, Extract and Purify Waste Anaesthetic Gases

Dr Matt Gopal, Head of Clinical Engagement, SageTech Medical Equipment Ltd

18:15-19:30 Drinks Reception within the Exhibition Hall & Virtual Awards

# SCIENCE & INNOVATION

Wednesday 20 October

## DIGITAL CONFERENCE

## LIVE EXHIBITION

09:30-10:00 Exhibition/Platform Visit/Networking

### Keynote Address

#### 10:00-11:00 Panel Discussion: Infection Resilience Environments

Chaired by Paul Fenton MBE, IHEEM President

Dr Shaun Fitzgerald OBE, Director, Centre for Climate Repair at Cambridge

Prof Peter Guthrie, Professor of Engineering for Sustainable Development, Department of Engineering, University of Cambridge

Prof Catherine Noakes OBE, Professor of Environmental Engineering for Buildings, University of Leeds

Andrew Poplett, Chair of IHEEM Ventilation Technical Platform

### Research

#### 11:05-11:45 Innovation in the New Alder Hey Childrens Hospital

Louise Shepherd CEO; David Powell Development Director, Alder Hey Childrens NHSFT

### New Technologies

#### 11:05-11:45 The Future of Diagnostics with Facible's Quantum-Logic Aptamer Analyte Detection

Dr Steven Burden, Founder & CEO, Facible

### Case Studies

#### 11:05-11:45 "Wayfinding+" The Art of Better Orientation

Martin Jones, Art in Site

### IHEEM Technical Platforms

#### 11:05-11:45 IHEEM Ventilation Technical Platform, HTM 03-01 (2021) – Update and Overview of Major Changes,

Andrew Poplett, IHEEM Ventilation Technical Platform Chair

11:45-12:15 Exhibition/Digital Platform Visit/Networking

#### 12:15-12:55 User-Led, Innovative Healthcare Building Design

Rachel Beverley-Stevenson, OneMedical Property

#### 12:15-12:55 Big Savings, Greater Efficiency, Optimised Care: Building Intelligence Platforms will Transform Hospitals

Rob Faro & Chris Evans, Tclarke

#### 12:15-12:55 Creating Community Spaces for Patient Wellbeing

Alison Davies & Paul Cross NHS Property Services

#### 12:15-12:55 IHEEM Electrical Technical Platform, How resilient is your Zero Carbon Electrical infrastructure?

Eugene Conroy, IHEEM Electrical Technical Platform Member

#### 13:00-13:40 Safe Sustainable Operating Theatre Design in a Modern NHS

Rabiya Zia, University of Cambridge

#### 13:00-14:00 Virtually Healthy: How Digital Transformation is Changing the Design of Healthcare Environments

Claire Liddy, Managing Director of Innovation, Alder Hey Children's NHS Foundation Trust. Chaired by Paul Gilligan

#### 13:00-13:40 IHEEM Fire Safety Technical Platform

Stephen Ball, MSc, IHEEM Fire Safety Technical Platform Member

13:40-14:00 Exhibition/Digital Platform Visit/Networking

#### 14:00-14:40 Decision Tools for Improving Energy and Environmental Performance of Hospital Energy Systems

Muditha Abeysekera, Cardiff University

#### 14:40-15:20 Pharmafilter A Cleaner Hospital, A Healthier Environment where Health, Green and Clean-Tech Merge

Peter Kelly, Pharmafilter

#### 14:00-14:40 Spatial Analytics - The Evolution of Space in the NHS

Ken Gordon & Dr Andrew Dobbins, Micad

#### 14:00-14:40 IHEEM Water Technical Platform

Steve Mount, IHEEM Water Technical Platform Member

#### 14:40-15:20 Physical Control of Microbiologically Contaminated Water in Healthcare Facilities

Elema Tuccori, Pall

#### 15:20-16:00 UVC Light Based Technology Solutions for Better Healthcare Premise

Rasib Khan, 3H Technologies Ltd

#### 15:20-16:00 Transforming Community Health Services Whilst Retaining Services on Site

Matt Tebbatt, One Creative Environments & Mark Jones, ADO Strategic Estates & Capital Planning, South Warwickshire NHS Foundation Trust

#### 14:40-15:20 IHEEM Professional Development Committee Update

Carl McKenzie

#### 15:20-16:00 Application of HVAC Air Filtration to Minimize Airborne Infection Risk

Peter Dymont, Camfil

#### 15:20-16:00 IHEEM Decontamination Platform, JAG/IHEEM Audit Tool – An Evolving Partnership to Raise Standards

Brian Kirk, IHEEM Decontamination Technical Platform, Chair and John Prendergast, IHEEM Decontamination Technical Platform, Member

16:00-16:30 Exhibition/Digital Platform Visit/Networking

#### 16:30-17:10 Making the Invisible, Visible - Airborne Particle Monitoring and Control Systems Integration with Ventilation Canopies for Improved Infection Control and Higher Patient and Staff Safety

Scott Pickering, Brandon Medical

#### 16:30-17:10 Wireless Bluetooth Mesh Lighting controls in Big Projects

Stephen Jackson, Casambi Technologies Oy

#### 16:30-17:10 The Digital Hospital Experience

David Evans, Schneider Electric

#### 16:30-17:10 IHEEM ADDE Technical Platform

All Healthcare Estates 2021 Conference  
Content has been approved as certified  
CPD through the CPD Certification Service

# WORKFORCE

Thursday 21 October

## DIGITAL CONFERENCE

09:30-10:00 Online Exhibition & Digital Networking

### Keynote Address

**10:00-11:00 Fighting with Pride: The LGBT+ Military Charity**  
*Craig Jones and Caroline Paige, CEO's, Fighting With Pride*

#### Looking After Our People

**11:05-11:45 The Faraday Challenge and How IET are Supporting STEM Education Programmes**  
*David Lakin, Head of Education, Safeguarding & Education Policy, IET, Chaired by Paul Fenton MBE, IHEEM President*

#### Belonging

**11:05-11:45**  
*Louise Clark, Deputy Director of EFM, Guys and St Thomas*

#### New Ways Of Working

**11:05-11:45 "Through the Looking Glass" - International Panel Discussion Implications of COVID-19 on the Wellbeing of the Hospital & Health System Workforce.**  
*Chaired by Jonathan Erskine, Executive Director, EUHPN*

#### Growing For The Future

**11:05-11:35**  
*TAHPI, IHEEM Knowledge Partner*

**11:35-12:05**  
*Asset Wisdom, IHEEM Knowledge Partner*

11:45-12:15 Online Exhibition & Digital Networking

**12:15-12:55 Career Map**  
*Monira Kaouech, Project Support Officer, IHEEM*

**12:15-12:55**  
*Nick Groves, University Hospitals Sussex*

**12:15-12:55 Methods and Predictive Models to Stress-test Hospital-wide Medical Planning Solutions for High Performance**  
*Jon Huddy & David White*

**13:00-13:30**  
*PPL Training, IHEEM Knowledge Partner*

**13:00-13:40 MyIHEEM CPD**  
*Tania Davies, Chief Operating Officer, IHEEM*

**13:00-13:40 InterEngineering and How This Inspired the Focus on Masculinity in Engineering**  
*Dr Mark McBride-Wright, Founder & Managing Director, EqualEngineers*

**13:00-14:00 Engagement on the Edge: Design team lessons learned from a pandemic.**  
*Chris Thornton, ADP, Chaired by Paul Gilligan*

**13:35-14:05**  
*Eta Projects, IHEEM Knowledge Partner*

13:40-14:00 Online Exhibition & Digital Networking

**14:00-14:40 National Apprentice Programme**  
*Eileen M Bayles, Regional Training & Development Manager, Northern & Yorkshire NHS Assessment Centre; Simon Dennis, Commercial Manager, Salisbury Procurement Hub*

**14:00-14:40 Mermaids Charity**  
*Mermaids Charity*

**14:00-14:40 "Lightworks": Combining Artwork With Lighting to Combat the Clinical Dark Age**  
*Louisa Williams, Art in Site*

**14:05-14:35**  
*Spirax Sarco, IHEEM Knowledge Partner*

**14:40-15:20 Up-skilling the NHS Estates and Facilities Workforce; the Facilities Management Apprenticeship degree'**  
*Dr Peter Farrell, Programme Lead, University of Bolton & Lucy Rowe, National Diversity and Young Persons Lead for NHSE&I*

**15:20-16:00 Gareth Longley, Chair of Manchester Spartans**

**14:40-15:20 Lessons from the Pandemic for the Next Generation of Hospitals**  
*Paul Fenton MBE, Associate Director of Estates & Facilities East Suffolk & North Essex NHSFT, Duane Passman, Acute Redevelopment Programme Director, West Hertfordshire Hospitals NHS Trust, Kevin Oxley, Director of Estates, Facilities and Capital Planning, South Tees Hospitals NHSFT. Chaired by Nigel Edwards, Chief Executive, Nuffield Trust*

**14:35-15:05**  
*Immerse Training, IHEEM Knowledge Partner*

**15:30-16:00**  
*SFG20, IHEEM Knowledge Partner*

**16:00-16:30**  
*Dudley IOT, IHEEM Knowledge Partner*

16:00-16:30 Online Exhibition & Digital Networking

# INTERNATIONAL PERSPECTIVE

Friday 22 October

## DIGITAL CONFERENCE

### Healthcare Provision, Operation and Management

09:00-10:00 Online Exhibition & Digital Networking

12:05-13:00 Online Exhibition & Digital Networking

**10:00-11:00 Update from International Federation of Healthcare Engineering**  
*Daniela Pedrini, IFHE President & Darryl Pitcher, CEO Bethesda Care & Past IFHE President*

**11:05-12:05 How to Increase the Safety of Medical Personnel in a Hospital - Protective Airflow Solution**  
*Ismo Grönval, Halton*

**14:05-15:05 Parkhjørnet - A Fully Automated Centralized Sterile Services Building at Haukeland Hospital in Bergen**  
*Thomas Leitner, Rambøll Denmark*

**15:05-15:30 Infrastructure Climate Change Action**  
*Peter Smyth, Assistant National Director Capital & Estates; Bill O'Reilly, Estates Manager, Connolly Hospital, Health Service Executive*

16:35-17:35 Conference Closing Remarks - Paul Fenton MBE, IHEEM President

\*Please note that this Conference Programme is subject to change
