Dear Colleague

IHEEM Republic of Ireland Branch Technical Seminar **“Sustainability and Water Management”**

Lunchtime Technical Meeting Webinars on Thursday the 2nd of December 2021 - 13:00 to
14.00pm - *Free to all, that wish to attend*

Ireland has an active Branch Committee of the Institute for Healthcare Engineering and Estates Management. We would like to invite all colleagues to meet with the following specialist speakers detailed in the programme. Colleagues with an interest in aspects of healthcare provision, including Engineering, Estates Management of Facilities, Architects, Project Managers, Specialists, Nursing, and Contractors will enjoy the focused Conference.

Webinar Agenda:

- Colum Gibson – Clean Technology Centre – Munster Technological University
Lessons from the HSE’s Green HealthCare Water Efficiency Programme
- Christine Crawford – Irish Water – Business Marketing and Communications Lead
Certified Water Stewardship Program
- Bill O’Reilly Estates Manager, Connolly Hospital
Case Study Connolly Hospital
