

IHEEM 2022

MIDLANDS CONFERENCE

THE NATIONAL BREWERY MUSEUM
BURTON UPON TRENT
WEDNESDAY 8TH JUNE

'Future Proofing Healthcare'

What the event is:

We are pleased to announce the first "Midlands Conference". Supported by The Institute of Healthcare Engineering & Estates Management (IHEEM) in partnership with Schneider Electric. The East Midlands branch are hosting a new event which is looking to attract up to 200 like-minded engineering and estates professionals from across central England. The Event will be held at the National Brewery Museum in Burton upon Trent on the 8th June, and also includes a tour of the famous brewery museum.

The National Brewery Centre Museum incorporates large elements of the original Bass Collection. Learn about the legendary Bass family and their role in the development of brewing. The museum also celebrates the social history of the development of brewing – the real-life experiences and stories of the people who helped to build Burton's world-renowned brewing reputation.

The focus of this first event is Net Zero Carbon, sustainability, post pandemic world, and the Exhibitors and Speakers will be covering topics like, digital twins and engineering partnerships, air purification, renewable solutions and healthcare design & planning for the future.

So come along and enjoy the relaxed, informative, networking event where you even get a cheeky tipple at the end.

The Team at IHEEM
