

OUR VISION, YOUR FUTURE

BUSINESS PRIORITIES 2023

Priority

1

Grow IHEEM Membership & Continue to Develop the IHEEM Brand

(Business Plan Core Objectives 1 & 6)

2

Strengthen Commitment to Support the Professional Development of all IHEEM Members

(Business Plan Core Objective 1)

3

Deliver the IHEEM Events & Networking Programme 2023

(Business Plan Core Objectives 1, 3, 5, 6, 7)

4

Development of and Support to IHEEM Branches, Technical and Advisory Platforms

(Business Plan Core Objectives 5, 6, 7)

Deliverables

- 1.1 Develop an IHEEM Company Affiliate benefits package including IHEEM events sponsorship package
- 1.2 Produce an implementation plan to increase IHEEM brand awareness
- 1.3 Attend, where appropriate, external events to connect and raise awareness of IHEEM to a wider audience
- 1.4 Fully automate IHEEM membership process and further develop the MyIHEEM CPD system
- 1.5 Implement IT systems that allow access to "live" information on the IHEEM website

- 2.1 Explore feasibility and credibility of the "Further Learning" route to professional accreditation
- 2.2 Automate the professional AE audit assessment process (strengthen governance and assurance). Develop and pilot standalone "Paper to Digital Apps"
- 2.3 Develop a plan to establish IHEEM AP & CP registers
- 2.4 Create a formal register of accredited IHEEM coaches and develop an operational business model and contract for a coaching and mentoring programme
- 2.5 Further develop the IHEEM STEM programme/ambassadors and engage with "Future Leaders"
- 2.6 Update "A Healthcare Engineering Roadmap for Delivering Net Zero Carbon"

- 3.1 Wales Regional Conference, Exhibition & Gala Dinner – Cardiff 11-12 May 2023
- 3.2 University & Healthcare Estates & Innovation Conference, Exhibition & Gala Dinner (IHEEM Partner) – Dublin 16-17 May 2023
- 3.3 IHEEM Authorising Engineers Conference – Epsom 11 July 2023
- 3.4 Healthcare Estates Conference, Exhibition & Awards – Manchester 10-11 October 2023

PLUS

- IHEEM 80th Anniversary Annual National Healthcare Estates & Facilities Day - 21 June 2023
- IHEEM Branch & Technical Platform seminars, webinars and events

- 4.1 Formally constitute an IHEEM Branch Committee with appropriate governance
- 4.2 Establish IHEEM specialist Advisory Platforms as appropriate (SEM)
- 4.3 Develop and implement induction programme for all IHEEM TP, AP, Council, Branch and Committee chairs (and members where appropriate)
- 4.4 Develop assessor training for IHEEM membership and CPD reviewers
- 4.5 Create a new IHEEM Mechanical Engineering Technical Platform
- 4.6 Revitalise the Fire, MGPS and Medical Devices/Digital Technical Platforms
- 4.7 Create, support and market the routes to expand Technical Platforms and pilot revised membership application process.

Members are encouraged at all levels to become involved in their local branch and IHEEM committees.
