'Back to the Future'

What the event is:

IHEEM, with the Welsh Branch and NHS Wales, Shared Services Partnership, Specialist Estates Services, are joining together to deliver the annual Wales Regional Conference, Exhibition, and Gala Awards Dinner on 28th and 29th May 2024. The conference will be held at the International Convention Centre, and the Gala Dinner at the Celtic Manor Resort, Newport.

The programme looks at lessons learnt from the past to deliver the healthcare estate of the future, builds on the issues from the 2023 conference, and focuses on the following three streams:

- Workforce development
- Structure and architecture
- Shared resources

The programme looks to address the following challenges:

- Workforce competency with a pilot from decontamination NHS Wales
- Making our infrastructure compliant and resilient with appropriate governance
- Modern material and construction methods using Building Information Modelling (BIM)
- Investing to create the workforce of tomorrow, creating an accreditation framework to provide assurance of professional standards throughout their careers
- Future workforce delivery, including training the next generation with an open floor discussion on governance around Competent and Authorised Persons
- AI and GB Chat
