

## NHS Premises Assurance Model

📍 York, Slough and On-site | 1 Day | [View Latest Price & Availability](#)

### Course Overview:

This course is designed to provide clarity on the technical requirements of the NHS Premises Assurance Model (NHS PAM) and the associated documentation. The one day course explores the variety of evidence required to complete the NHS PAM and examines the scoring matrix within the documentation. As set out in the NHS Standard Contract (Service Conditions 17.9), NHS trusts are required to complete the NHS PAM annually which provides boards with improved oversight for the management of estates risks. This course aims to assist NHS Trusts and Estates and Facilities teams in the completion of NHS England's Premises Assurance Model documentation in an effective and efficient manner, all whilst ensuring that accurate data is compiled and presented for review.
