

GOLDEN THREAD

- The Golden Thread is Compliance
- CPD Pathway is Essential to achieve Compliance by Aiding Demonstration of Competence
- ▶ What Pathway do we Take?
- ▶ Engineering Council / IET route for those aiming to be Chartered / Incorporated / Engineering Technicians.
- ▶ Professional Bodies Development / SVHSoc / BESA / IHEEM etc
- ▶ CPD can be Formal and Informal

Training courses

Work experience

Academic study

Volunteering

Events and seminars

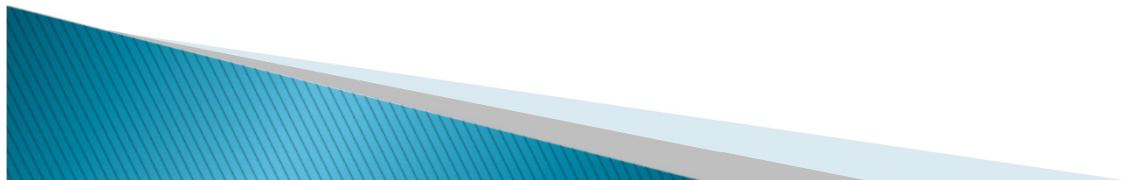

Self-study.

▶ Others (Lets Discuss)

Don't Re-Invent the Wheel

- Good Practices Already Established
- Layout the Pathway that Allows Learning / Knowledge
- Align with Specific Job Role Competences
- Plan / Do / Record / Review
- **Align with IHEEM approach Already in Place and Look to Improve**

Actions Going Forward

- **Short Term** – Lunchtime Teams Seminars
- Ventilation (Exp Howarth UCV,s / Gilberts Health Care Air Dist 2024)
- Domestic Hot & Cold Water Services (Exp Infection Control Overview / AE Overview)
- Live Issues Overview. (Use experts to give 15min Commentary)
- **Medium Term** - Layout the Pathway that Allows Learning / Knowledge. Although its fine to take up any CPD Opportunities it is good practice to follow the professional development cycle – Plan/Do/Record/Review
- **Long Term** - Align CPD Pathway with Specific Job Role Competences
