

Keynote Programme

Delivering essential insights and authoritative opinions from high-profile thought leaders, this year's Keynote sessions set the tone for the two days of informed learning, discussion and discovery on our key theme of 'Mind the Gap': are we heading for a two-tier estate?

Keynote sessions involve a blend of presentations and panel discussion, with live Q&A at the end of each session giving YOU the opportunity to put your questions to speakers in real time.

13 October

09.30

Where Next? Closing the Gap Together

The essential Healthcare Estates 2026 session — open to all attendees

Don't leave before the conversation comes together and we reach valuable conclusions. Join us in this interactive session for a lively, practical and forward-looking debate bringing together the key lessons, themes and priorities from across the two-day event.

Refreshed, refuelled,
and fully informed.
