

The floor plan illustrates a complex layout for a temporary structure, likely a market or exhibition space. Key features include:

- Top Section:** Six Shop Units (1-6) along the top edge, with associated rooms like a Switch Room, Machine Room, and Lift. An Entrance Hall and SIGN IN AREA are centrally located.
- Central Area:** A large open space containing a grid of 90 numbered PREMIUM STANDS (6m x 3m) arranged in three rows of 10 columns. To the right of the stands are four DRIVE IN VEHICLE POTENTIAL areas (6.5m x 4.3m).
- Right Section:** A large open area with a REPEATER SCREEN and a SCREEN. Dimensions 6499.72 and 6806.37 are indicated.
- Bottom Section:** A BREAK OUT AREA with a grid of 16 tables. Other rooms include a Loading Bay, Meter Room, Open Yard, Store, Male WC, Female WC, Kitchen, Reception, and Boiler Room. A PARTITION REQUIRED area is also marked.
- Perimeter:** The building is bounded by MAY STREET (66199.859) on the left, EAST BRIDGE STREET on the right, and VERNER STREET at the bottom. The top boundary is labeled 74223.7735 and 12705.1582.
- Other Details:** The plan includes various rooms like Esc. Stair (1), Esc. Stair (2), Esc. Stair (3), and a Reception area. It also shows a grid of 90 numbered PREMIUM STANDS and a grid of 16 tables in the BREAK OUT AREA.
